

Congratulations to PICU for receiving Beacon Award Designation!

- University Medical Center's PICU earned the ANCC's **Silver Beacon Award for Excellence** for the second year in a row!
- This award, provided by the [American Association of Critical-Care Nurses](#), recognizes units that “distinguish themselves by providing high-quality patient care in a healthy work environment.” Units must demonstrate their commitment to excellence through their patient outcomes, their work environment, and the support of their Nursing workforce.
