

Pre-Pay Programs for Professional Board Certification

UVA Health University Medical Center participates in the following pre-pay programs so that the RN does not have to pay out-of-pocket for the exam fee. Below is a list of available Pre-Pay Programs. Please go to www.uvaprofessionalnurse.com for eligibility* details and additional information.

To initiate the process: 1.) Click on the link for more information and complete the UVA request form.
2.) You will then receive an email from the Nursing Governance Office with information for next steps.
3.) You may then begin the certification application process.

Please note: These pre-pay programs require advanced planning, as time from request to receiving the voucher is needed prior to applying for approval to sit for an exam.
