Preparing for Your Photo Session

- Badge or no badge option
- Touch up/get ready table with mirror will be available
- White coat and/or stethoscope to wear

What to Expect

- No appointment required – there may be a line formed, but it will move quickly
- Participants will be given 1-2 minutes with the photographer before next person in line’s turn
- Photos will be sent directly to you after they are taken – photos will not be edited

Optional Tips

- Ask AI to help edit photos and even change your background
- Get your photos printed online or at a local kiosk
- Use your professional headshot as your LinkedIn profile photo, Workday photo, resume, etc.
