

The Nursing Center for Excellence  
is proud to announce the  
**2026 Evidence-Based Practice Symposium (EBPS)**

---

Wednesday, May 6, 2026

AM Session: 0800 – 1200 | PM Session: 1300 – 1700

The Wool Factory, 1837 Broadway Street, Charlottesville

Building on last year's implementation-focused symposium, this year's event will guide participants through the **final steps of the Iowa Model**, with a strong emphasis on **dissemination**. Attendees will also be introduced to **emerging tools that support the EBP process**, helping translate evidence into meaningful practice change. The symposium will also feature a poster session showcasing EBP projects from UVA nursing colleagues, celebrating their innovation, impact, and commitment to excellence.

Register for one half-day session based on your preference.  
Scan the QR code for registration information.

Please note: Registration is confirmed when a calendar planner from NPGO is received.

All UVA University Medical Center nurses are welcome.

Contact hours available.
